Special business

Share buy-backs

Special Resolution

Resolved that the Company and/or any of its subsidiaries from time to time are hereby authorised, by way of a general authority, to:

- (a) acquire ordinary shares of 20 (twenty) cents each ("Ordinary Shares") issued by the company in terms of Sections 85 and 89 of the Companies Act, No. 61 of 1973, as amended, and in terms of the Listing Requirements from time to time of the JSE Securities Exchange South Africa ("the Listing Requirements"); and/or
- (b) to conclude derivative transactions which may result in the purchase of ordinary shares in terms of the Listing Requirements, it being recorded that such Listing Requirements currently require, inter alia, that:
 - (i) the Company may make a general repurchase of securities only if any such repurchase of ordinary share shall be implemented on the Main Board of the JSE Securities Exchange South Africa ("JSE") or any other stock exchange on which the shares are listed and on which the Company or any of its subsidiaries may wish to implement any purchases of ordinary shares with the approval of the JSE and any other such stock exchange, as necessary;
 - (ii) this general authority shall only be valid until the Company's next annual general meeting, provided that it shall not extend beyond 15 (fifteen) months from the date of passing of this special resolution;
 - (iii) the purchase of the ordinary shares may not be made at a price greater than 10% (ten percent) above the weighted average of the market value of such ordinary shares for the 5 (five) business days immediately preceding the date of the transaction;
 - (iv) any derivative transactions which may result in the repurchase of ordinary shares must be priced as follows:
 - (1) the strike price of any put option written by the company may not be at a price greater than stipulated in paragraph (iii) above at the time of entering into the derivative agreement;
 - (2) the strike price of any call option may be greater than stipulated in paragraph (iii) above at the time of entering into the derivative agreement, but the Company may not exercise that call option if it is "out of the money";
 - (3) the strike price of any forward agreement may be greater than the price indicated in paragraph (iii) above but limited to the fair value of a forward agreement based on a spot price not greater than stipulated in paragraph (iii) above;
 - (v) when the Company and/or any of its subsidiaries has cumulatively purchased 3% (three percent) of the number of ordinary shares in issue on the date of passing of this special resolution (including the delta equivalent of any such ordinary shares underlying derivative transactions which may result in the repurchase by the company of ordinary shares), and for each 3% (three percent) thereof in aggregate, acquired thereafter, an announcement must be published as soon as possible and not later than 08:30 on the business day following the day on which the relevant threshold is reached or exceeded, and the announcement must comply with the Listing Requirements;
 - (vi) any general purchase by the Company and/or any of its subsidiaries of the Company's ordinary shares in issue shall not in aggregate, in any one financial year, exceed 10% (ten percent) of the Company's issued ordinary share capital.

The reason for the special resolution is to obtain, and the effect thereof is to grant the company a general authority in terms of the Companies Act, 1973, as amended, for the acquisition by the company and/or any of its subsidiaries of shares in the capital of the company, which general authority shall be valid until the next annual general meeting of the company, provided that the general authority shall not extend beyond fifteen months from the date at which this special resolution is passed.

The board of directors, as at the date of this notice, has stated its intention to examine methods of returning capital to shareholders in terms of the general authority granted at the last annual general meeting. The board believes it to be in the best interest of Implats that

NOTICE TO SHAREHOLDERS

shareholders pass a special resolution granting the company and/ or its subsidiaries a further general authority to acquire Implats shares. Such general authority will provide Implats and its subsidiaries with the flexibility, subject to the requirements of the Companies Act and the JSE, to purchase shares should it be in the interest of Implats and/or its subsidiaries at any time while the general authority subsists.

The directors have considered the impact which a purchase of up to a maximum of 10% of the Company's issued ordinary share capital and a general authority would have on the Company and/or its subsidiaries (together "the group") and are of the opinion that for a period of twelve months from the date of this notice:

- the company and the group will in the ordinary course of business be able to pay its debts;
- the assets of the company and the group will be in excess of the liabilities of the company and the group calculated in accordance with the accounting policies used in the audited financial statements for the year ended 30 June 2004; and
- the ordinary capital, working capital and reserves of the company and the group will be adequate;

By order of the board
