ANNUAL REPORT

Special business (continued)

- (h) that, in determining the price at which shares may be repurchased in terms of this authority, the maximum premium permitted is 10% above the weighted average traded price of the shares as determined over the five (5) days prior to the date of repurchase; and

The board of directors as at the date of this notice, has stated its intention to examine methods of returning capital to shareholders in terms of the general authority granted at the last annual general meeting. The Board believes it to be in the best interest of Implats that shareholders pass a special resolution granting the company and/or its subsidiaries a further general authority to acquire Implats shares. Such general authority will provide Implats and its subsidiaries with the flexibility, subject to the requirements of the Companies Act and the JSE, to purchase shares should it be in the interest of Implats and/or its subsidiaries at any time while the general authority subsists.

The directors undertake that they will not implement any repurchase during the period of this general authority unless:

- the company and the group will be able, in the ordinary course of business to pay their debts for a period of 12 months after the date of the annual general meeting;
- the assets of the company and the group will be in excess of the combined liabilities of the company and the group for a period of 12 months after the date of the notice of the annual general meeting. The assets and liabilities have been recognised and measured for this purpose in accordance with the accounting policies used in the latest audited annual group financial statements;
- the company's and the group's ordinary share capital and reserves will, after such payment, be sufficient to meet their needs for a period of 12 months following the date of the annual general meeting;
- the company and the group will, after such payment, have sufficient working capital to meet their needs for a period of 12 months following the date of the annual general meeting; and
- the sponsor of the company provides a letter to the JSE on the adequacy of the working capital in terms of section 2.12 of the JSE Listings Requirements.

Reasons for and effect of Special Resolution No. 1

The reason for and the effect of the special resolution is to grant the company's directors a general authority, up to and including the date of the following annual general meeting of the company, to approve the company's purchase of shares in itself, or to permit a subsidiary of the company to purchase shares in the company.

For purposes of considering the special resolution and in compliance with rule 11.26 of the JSE Listings Requirements, the information listed below has been included in this annual report:

- Directors and management – refer pages 132 to 134 of this report.
- Major shareholders – refer page 151 of this report.

Articles of Association

Special Resolution No.2

The reason for Special Resolution No 2 is to adopt new articles of association which incorporate provisions for electronic communication among the company's directors and electronic communication between the company and its shareholders. The effect of Special Resolution No. 2 will be to adopt new articles of association which allow firstly communication among directors by teleconferencing and secondly shareholders to receive annual financial statements in electronic form.
