CURRENCY CONVERSION INTERIM CASH DIVIDEND

Further to the interim cash dividend declared on 18 February 2010 and payable on 15 March 2010, notice of which was released on SENS on 18 February 2010, the rand to sterling conversion rate that will be used in calculating the sterling amount payable to shareholders registered in the United Kingdom section of the share register is R11.1831 to GBP1. This equates to an interim cash dividend of 10.73 pence per share to United Kingdom registered shareholders.

12 March 2010
