

Environmental Policy Statement

Implats is a PGE-focused mining company which undertakes its activities in a manner that strives to maximise the positive impacts PGEs have on the environment and minimise or eliminate any negative environmental impacts. The Company is committed to responsible stewardship of natural resources and the ecological environment in a sustainable manner.

Implats is committed to:

- Continually improving environmental performance and reducing any adverse environmental impacts.
- The integration of environmental management into management practices throughout the Company.
- Minimising the use of consumptive resources and promoting the reduction and recycling of waste products.
- Rehabilitating disturbed land and protecting environmental biodiversity.
- Exercising prudence with ecological resources.
- Managing environmental risk in the workplace and surrounding areas.
- Complying with the applicable environmental obligations to which the Company subscribes.
- Training and educating employees in environmental responsibilities.
- Being transparent and constructive in interactions with stakeholders.
- Providing leadership and support in achieving these commitments.

Employees and contractors working at Implats' operations play a fundamental role in achieving environmental objectives through:

- Taking ownership of, and participating in, environmental management programmes and initiatives.
- Integrating environmental concerns into everyday practices.
